### Rules for Worcester Round

A Worcester is a 60 arrow round shot in ends of 5 arrows on a 16" black and white 5 zone face at 20 yards. Scoring zones are 5 (centre white), 4, 3, 2, 1.  
 Two faces are used for the round, one above the other. 30 arrows are shot at one face and 30 arrows at the other.  
 If shooting in pairs, one Archer starts on the top face while the other Archer starts on the bottom, swapping after 30 arrows (6 ends)
